UNIVERSAL *Osaka* STUDIOS

Universal Studios Japan is divided into 9 areas, each with themed attractions, buildings and sometimes stores and restaurants.

A must for Harry Potter fans. Since it opened in 2014, the Wizarding World of Harry Potter has been incredibly popular with visitors. So popular in fact, that you can't enter the area whenever you want. Entry to this part of the park is regulated by time tickets intended to prevent overcrowding.

Universal Wonderland is the probably the park's second busiest area. This area includes Snoopy Studios, Hello Kitty Fashion Avenue, and Sesame Street Fun World.

This part of the park is aimed at families, with kid-friendly rides like the Snoopy's Great Race Coaster, the Flying Snoopy Carousel, and Hello Kitty's Cupcake Dream, a spinning teacup ride.
